

# AWAKENING YOUR UNIQUE SELF

## **Week 2: Assignment — “Unique Self Inventory”**

### **Introduction**

*Unique Self is not merely vocation. It is the deeper unique essence that lives in you, as you and through you which can also express itself as vocation.*

*Unique Self may express itself dramatically in public or it may not, but Unique Self always expresses itself in private.*

*Unique Self may be felt sitting across from someone in silence. The quality of the silence in every Unique Self Encounter is Unique.*

### **Instructions**

Here are your instructions. a) Answer the following questions. b) Post your answers to the *first three questions* in the portal as a comment on the Week 2 Assignment page (where you downloaded this from). I look forward to reading and responding to your comments in the portal. --- Marc

### **Questions to Answer**

1. What did you really like doing when you were young?
